5- To get to know other countries much better.	X		
6- To learn what things are called in other languages.	X		
7- Did you like the activity/task?	X		

Final Evaluation of the activity/task

The experience was extraordinary both for the teachers and students. They were very grateful for the opportunity to learn about life in Turkey by taking part in everyday life and being treated as a member of Turkish family.

Teachers' cooperation has made us realise how necessary it is to view Polish school from a different perspective, compare our education to foreign countries to introduce possible changes for the future.
